Looking to live in a small quiet neighborhood in the woods only 10 minutes to Mars Hill, 15 minutes to Weaverville and 25 minutes to Asheville. This rustic A-frame has all you need, plus a studio apartment on the lower level. Fantastic long-range mountain view from the living room or deck. New windows have opened up the house to lots of light. New mini-split on the lower level, and screened-in porch to enjoy the out-of-doors and view.
